Re: Press Release- Storm Damage Cleanup
For release: Immediate thru September 21, 2011

Brush Pickup in Tipp City

Due to the unusual high winds and storm damage on Saturday, September 3rd, the City of Tipp City will pick up City resident's downed tree limbs and branches over the next several weeks, following the clearing and clean-up of the city streets, electric lines, and parks. Residents will need to cut the branches into reasonable lengths and place them at the curb for pick up. Please do not block the sidewalk or permit the branches to stick-out into the street. Your patience and understanding during this significant storm event and cleanup effort is greatly appreciated.
